

## Qualifications for students, teachers & in translation.

How to approach ESOL international exam preparation lessons with a twist and turn them into motivating, dynamic and student-centred language courses.

### Presentación comercial: Interactive Information Workshop - ANGLIA ASCENTIS ESOL EXAMINATIONS

In this presentation Chris Kunz will interactively introduce everyone to Anglia Ascentis ESOL Examinations as well as to a wide range of practical ideas to exploit with your classes straightaway. Anglia is owned by non-profit and state-run Chichester College, England. There are 13 General English and 4 Business English exam levels, 2 awards for EFL teachers and 2 in Applied Translation, within our suite. At Anglia we firmly believe in maximizing educational opportunity for all, and to this end our examination fees are consistently lower than those of all other boards.
